

# PRAIA NA COMPORTA, APRÈS-SKI ON THE DUNES

Praia do Pego, Comporta, July 15<sup>th</sup> 2023

This summer, Grupo Praia opens **Praia na Comporta**, an elegant new address on Praia do Pego. Designed by Philippe Starck and to be enjoyed all year round, the restaurant is nestled in the heart of the Comporta dunes.

“Whether a coastal bungalow, a fisherman’s hut or a mountain chalet, we all have dreamed of a holiday cabin a secret place where the family and friends can gather. At **Praia na Comporta**, we have created our own.”  
Sebastião Pinto Ribeiro, Grupo Praia

Philippe Starck, artistic director and architectural concepthor, imagined the place as a poetic and magical in-between where dunes can become mountains; a beach chalet shaped by the joy and emotion of being together. It is not about the place itself, but all about poetry, the elegance and the smart tribe’s energy.

“With **Praia na Comporta**, we created this surrealistic mental game for our smart tribe. The beach becomes the mountains, the sand becomes the snow.  
Everybody goes to the beach, but we are different and we chose to go to a different place to think differently. What matters here is the conversation, the love and the joy of being together. We are our own energy.”  
Philippe Starck

Surrounded by – even immersed in Comporta’s preserved and unique nature, **Praia na Comporta** is a charming, warm and cozy yet energetic place to enjoy music, drinks, lunches and dinners with your friends and loved ones.

A fresh and colorful menu shaped around vegetarian plates, seafood and prime meats, perfect for everyone looking for the pleasure of tasting elegant simplicity. From Niçoise salad with bagna cauda to Portuguese pica-pau with carabineiros, the menu is an open, warm welcome. To drink, a carefully curated selection of cocktails and the finest wines, from Champagnes de vigneron to selected organic Portuguese wines.

**Praia na Comporta** is a place to cherish Comporta’s powerful cultural and natural heritage and lifestyle, to safeguard them for the generations to come.

Welcome to our beach chalet. Let the après-ski begin.
