

55° SALONE INTERNAZIONALE DEL MOBILE MILAN 12/17 April 2016

Research and development of the most advanced glass manufacturing techniques historically identify the brand of Glas Italia.

SALONE DEL MOBILE constitutes the peak moment of this process whose results, obtained by means of the collaboration with designers already projecting for Glas Italia, whether they are new models or evolutions of existing models, are introduced to the public.

SALONE – HALL 16 STAND C23 D18

The new collections are characterized by elegance and distinctiveness, they convey new eclectic and functional elements to the contemporary living culture. They are designed to interpret the architectural spaces in a dynamic and innovative way:

- Low/occasional tables “NESTING” Ronan&Erwan Bouroullec
- bistrot table “NARCISSUS” Naoto Fukasawa
- furniture in printed glass “COMMODORE” Piero Lissoni
- furniture “LAYERS” Nendo
- dining table “LADY HIO” Philippe Starck with S. Schito
- high table “SHIMMER” Patricia Urquiola
- screen “PRISM partition” Tokujin Yoshioka

The new swing doors “SHERAZADE” of the series Aladin, designed by Piero Lissoni, will be displayed the stand.

SALONE SATELLITE - Exhibition NUOVI MATERIALI, NUOVO DESIGN

The innovative materials give a due tribute to classical ones at the exhibition NUOVI MATERIALI, NUOVO DESIGN/NEW MATERIALS, NEW DESIGN. To wood, plastic, glass, metal, fabrics and marble are dedicated just as many totems with representative products of different companies, each of them specialized in its own field.

Glas Italia, invited as iconic brand in the glass manufacturing, shows the mirror SHIBAM (2008) of Ettore Sottsass and the low tables XXX (2009) of Johanna Grawunder.
